

**PicoLab®**  
**5LRT**

PicoLab® Certified LabDiet® Timothy Hay Cubes are an excellent source of highly palatable, high-quality fiber made from sun-cured timothy hay. High fiber aids in the digestive process of fore- and hindgut fermenters and helps maintain a healthy GI Tract. Each cube is crafted using 100% sun-cured timothy hay and the compressed form helps eliminate the mess of hay.

#### FEEDING DIRECTIONS

PicoLab® Certified LabDiet® Timothy Hay Cubes can be fed to fore- and hindgut fermenters of all ages. Should be fed for enrichment only, not intended to be fed as a complete diet.

#### GUARANTEED ANALYSIS

|                          |        |                       |       |
